

SHARE YOUR CHRISTMAS JOY® campaign is the 17th annual fundraiser of the USA Central Territory World Missions Department. Our aim is to send \$100 to as many Salvation Army children's homes, schools and institutions so they can afford a special Christmas celebration such as a party, a big meal, or Christmas gifts for the children in their care. Many children in Salvation Army centers around the world have never experienced the JOY that Christmas can bring. The **SHARE YOUR CHRISTMAS JOY**® campaign is designed to give these children that unique feeling of excitement, love and joy that only happens at Christmas when we celebrate the birth of our Savior. We invite YOU to bring JOY to children in need by contributing to **SHARE YOUR CHRISTMAS JOY**®.
